Ultra Portable Flash TV

For those who desire an easy, affordable and portable solution to enjoy their digital media with friends and family on their TV, can check out the new flash TV that fits the bill.

Amkette TV

The flash TV from Amkette, is a mini-media player for Indian households to play your digital media on the big screen. The flash TV utilises less power and connects to a user's TV or home-theatre and plays digital movies, music and photos and also the text files stored in the USB portable drives. Its compact design, allows easy portability so it can be carried around everywhere with ease. The flash TV offers high resolution images, audio and video playback complete with a remote control.
