

Integrated Trackball Keyboard

Amkette has announced its Wireless Optical Trackball Keyboard. This feature rich keyboard has been designed specifically to keep you off the working desk as and when you want to relax. With 2.4 GHz wireless technology for precise keyboard and trackball commands, the WF-301 works up to a distance of 10 m. The full-size unit is Windows XP/Vista/7 as well as Mac OS X & Linux compatible. A space-saving trackball allows easy 360-degree navigation for gamers. Offering low profile keys and multimedia controls, the wireless keyboard is ideal for professionals in different sectors like BFSI, art & direction, media centers etc.

Its sleek and elegant design adds sophistication no matter where it is used.

PRICE: Rs 2,995
