Play everything on TV

Amkette's Flash TV

Price: Rs 2,995

FOR those who find watching videos and movies on their laptop or PC monitors a painful chore, digital lifestyle brand Amkette introduced its latest offering, the ultra-portable Flash TV, a multimedia player. Ultra compact and unique pocket-sized Flash TV, measuring just 6.6 x 6.6 x 1.6 cm and weighing mere 45 gm, connects seamlessly with any TV, home theatre system LCD panels, plasma screens and can easily be carried

while on the move.

It works as an interface between your TV and the storage media like USB hard drives, flash drives as well as SD and MMC memory cards. Just connect the FlashTV box to your television's input sockets with the provided cables, plug in your flash drive, portable hard disk or memory card, grab the remote control and watch your content in 720p HD quality. It can play most of the video formats like MPEG-1, MPEG-2 (AVI/VOB), MPEG-4 (AVI/DivX 3-6x/XviD), DVD (VOB, MPEG), DAT and MPG, RM / RMVB, and photos in JPEG, GIF, BMP formats. AV connections—HDMI: composite video and audio R/L, Component video: Y, Pb, Pr : SCART (RGB) , CVBS, PAL/NTSC Double Mode with 720P HD output.
