MUCH MORE CREATIVE

WHAT: The Amkette Flash TV.

WHAT'S COOL: A one-stop solution if you want to view the contents of your flash drives, hard disk or memory card on your TV. At the size of a biscuit, this enables you to music, movies or photos without having a computer as it supports almost all kinds of files from JPEG, MPG to TXT.

HOW MUCH: At a cool price of Rs 2500, this is a multi-use item.
